

Liberty Farm & Lawn

Our RTK Network Has You Covered

*From Ellensburg to Moses Lake - Mattawa to Ephrata
We keep our Farmers rolling 24/7*

With our full time AMS Specialist, a 24 hour phone and outstanding service, we are here to make sure our farmers are kept up to date and able to farm around the clock. With (8) eight permanent base stations, 3 repeaters and a portable base station, if you are in our area, you're covered. If you have questions about our RTK Network, or would like information about upgrading to an RTK signal, please ask your salesman today. You can contact Cody at 509-797-5816 at any time.
